Here's the final signature page. Tom, I spoke with Jeaneanne and Leif and we're going to need Wade's help pulling all the signature pages together into one pdf document. I'll call you in a moment.

Tim,

Please see attached the final Programmatic Agreement for Florida SHPO's signature. Please apply your electronic signature at your signature block, save the document and forward it back to me. Once we receive the document back from you we will forward to the other signatories for execution.

I'm also resending EPA's response to comments from the consulting parties.

As mentioned on today's call, we would like for the Florida SHPO to sign as early today as possible. You mentioned that you are meeting internally at 10:30 this morning and that the PA may be a topic of discussion. Please contact me following your 10:30 meeting to let me know the status of signature so that we may factor that in as we make plans for routing the PA to the other signatory parties.

Thank you,

Matt
